

Specialist Music Application Form

Program Details:

Students will participate in the Specialist Music Program which includes a comprehensive class music curriculum, instrumental or voice lessons during school hours and bands, choirs, orchestra and ensembles before and/or after school hours. There is a large after hours time commitment required for rehearsals and performances in this program which may conflict with specialist sporting pursuits.

The program entitles students to instrument tuition together with participation in bands, choirs and musical performances.

Selection Criteria: Excellent academic record, a letter of recommendation from your classroom teacher, a letter of recommendation from your instrumental music teacher, passport size photograph, written and practical music aptitude test, audition (instrument or voice), and an interview with the student and parent.
