Dear Parent/Guardian,

Please be advised of the following regarding the course selection form:

- Students are reminded to choose carefully as it **will not be possible** to change classes unless there is a sound educational reason to do so. Any request for change must be provided in writing by the parent and this could result in the adjustment of the fees account.
- Whilst every attempt will be made to allocate your preferred courses this may not be possible due to:
 - (i) The class(es) being full or not running due to insufficient numbers.
 - (ii) The timetable preventing access to the combination of courses that you initially selected.

- In addition to your selected courses, you will also be placed in the following classes, costs are subject to change:

English	\$37.60	
Mathematics	\$37.60	
Science	\$37.60	
Humanities and Social Sciences	\$37.60	
Health and Physical Education	\$28.20	= TOTAL \$178.60

****PLEASE RETURN TO THE ADMIN OFFICE BY THURSDAY 9th September 2021****
